A New Vision of Youth Leadership

National Youth Leadership Training (NYLT) will bring new skills and greater enthusiasm to your youth leadership. Scouting recognizes that Unit leaders have the primary responsibility for training their youth leaders. The purpose of NYLT is not to assume the role, but rather to support it. This week long course features instruction in skills that can be used at home, at school, on the job, and , in particular, at the Scout unit level. Through activities, events, games and adventures, NYLT participants will work hard and play hard together as they put into action the best Scouting has to offer.

Course Vision: National Youth Leadership Training will empower each participant to discover the highest ideals of scouting leadership while experiencing how to Be, Know and Do the job of a leader.

Course Goals:

1. Give youth leaders the confidence and knowledge to conduct the unit program
2. Provide youth leader with a clear understanding of team and personal development and how those elements relate to being a leader.
3. Guide the youth leader through the stages of team development
4. Create an environment of Scouting fellowship and fun guided by the Scout Oath and Law / Venturing Oath and Code.
5. Give youth leaders the opportunity to share ideas and experiences with Scouts from other units.
6. Have fun and experience Scouting at its best.

This curriculum aligns the youth leadership training with the adult training in Wood Badge for the 21st Century.
