Instructions for Cubmasters and Pack Camp Coordinators

Welcome to the Gulf Ridge Council's Centennial Celebration Cub Scout Summer Camp Program! To insure that your pack registers with as much ease as possible, we ask that you follow the instructions below. Please pay close attention to cut-off dates as these affect camp fees and T-shirt orders.

- Decide as a committee where and when you will be attending camp as a pack. Then select a Pack Camp Coordinator to take care of registration and communication between the Camp Director and the pack.
- Meet with the parents in your pack and decide who will attend camp with the boys. The minimum requirement is 1 adult for every 4 children attending camp from your pack.
- Contact your Camp Director for approval of adults and youth who wish to work as full time staff (5 days).
- Have each family fill out applications and BSA Health Forms for each member of the family attending camp **for any amount of time**. The health form can be found at www.boyscouting.com under **Forms**.
- If a parent is an approved Staff member, please initial where they have circled "yes" on the registration form.
- Cub Scouts' siblings, children of approved Staff, and children attending multiple camps attend camp at a discounted rate. If these discounts apply, draw a line through the non-discounted fee and write the discounted fee above it. Then next to the words "Day Camp" or "Twilight Camp" write either **child of approved staff, sibling, OR multi-camp registration**. Please initial this change.
- Instruct the leaders and parents to submit ALL forms and payments to the Pack Camp Coordinator. ***Fees apply only to Cubs and siblings participating in the actual Camp Program.*** Adults and Youth Staff and Tot Lot children attend at no charge. Checks should be made out **to the Pack**.
- When you have collected all of the forms and payments from your pack, please fill out the roster that you *will find posted online at www.boyscouting.com*.
- When you have the forms, payments, and roster completed submit a hard-copy of your Day Camp **roster** and **one check from the pack** for the total pack fee to Jeannie Upton in the Program Registration office at the Council Service Center. **Do not send any registration or health forms to Council. Send only the roster and one check.** Send your roster and payment to:

Gulf Ridge Council, BSA
13228 North Central Avenue
Tampa, FL 33612
Attn: Day Camp (or Twilight Camp) Registration

- Send another copy of the roster along with **all** registration and health forms to your Day Camp/Twilight Camp Director. ***Remember the early registration reduced fee cutoff dates are based on postmarks, so this must be done in a timely manner.***
- Keep a third copy of your roster plus a copy of all forms for your pack records and for back-up.
- In the event that you have late registering families, you may submit an addendum to your original registration. Please forward a copy of this new roster to Council (including payment) and to your Camp Director (including all required forms). Remember that the fees increase after April 29th
- ***(Exception: the late registration fee does not apply to those Scouts who registered with your pack during the Spring Round-up.)***
- **If your pack chooses not to attend camp, please encourage those who still want to attend camp to contact their Camp Director and register individually.**
- You will find the Gulf Ridge Council's refund Policy on the lower right hand side of the application and on the Council website.

Thank you for all that you do for the Cub Scouts in your pack. We appreciate your commitment and the sacrifices that you make to help teach and train the future leaders of our communities and of our great country.

Gulf Ridge Council Cub Scout Day Camp/ Twilight Camp Committee
